Mirpur-10, Dhaka, Bangladesh • (+88)01681435802

Full-Stack Web Developer

mtushar78@email.com • <https://mtushar78.github.io/>

Full-stack web developer with over 5 years of experience specializing in JavaScript, Node.js, and React.js, delivering high-quality solutions for both front-end and back-end development.

Top Skills

- **Programming Languages & Frameworks** - Javascript, NodeJs, ReactJs, NextJs, Python (FastAPI & Flask), PHP (Laravel), Java (Spring Boot), SQL, NoSQL (Mongo and Firebase).
- **Deployment**- Overall knowledge to deploy any application to a VPS or EC2 on a Caddy or Nginx server. CI/CD through GitHub action and Jenkins, Version Control with GitHub, Docker container.
- **Integrations**- I have experience in integrating third-party libraries, Google APIs, OpenAI API, Speech-to-Text/Text-to-speech APIs, and many more. Integrate OAuth2/JWT authentication for Full-Stack web applications.
- **Scalability**- Usually I implement Microservices Architecture for better scalability and isolation.

Work Experience

99robots, New Jersey, USA

Full-Stack Web Developer

07/2022-Present

This remote position for a USA-based company involves developing SAAS applications using Node.js, React, and Next.js, as well as creating Chrome extensions with React. Responsibilities include maintaining legacy software, monitoring servers, databases, and both backend and frontend systems, while also conducting market analysis to introduce new features that keep the company ahead of the competition.

National Bank Limited, Motijhil, Dhaka, Bangladesh

Junior IT Officer

05/2019-05/2022

As a Junior IT Officer at National Bank Limited, Bangladesh, I maintained and upgraded the remittance software, QuickPay. I developed REST APIs to enable communication between multiple applications within a microservices architecture, integrated APIs with other banks, and utilized PL/SQL for database management in Oracle systems.

Education

Daffodil Institute of IT (Under NU) / B.Sc. in Computer Science & Engineering

- Passing Year: 2018
- CGPA: 3.41
